	Compatibility and Public Convenience and) REBUTTAL
	Necessity for Jasper County Generating Facility.) TESTIMONY

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of South Carolina Electric & Gas Company (SCE&G or the Company) for a one (1) day extension of time in which to file its rebuttal testimony and exhibits. SCE&G was originally scheduled to file its rebuttal testimony and exhibits on or before November 26, 2001 as set forth in Commission Order No. 2001-983 issued October 9, 2001.

SCE&G, through correspondence to the Commission dated November 21, 2001, requested that the Commission grant the Company a one (1) day extension to file its rebuttal testimony to the direct testimony filed by the Consumer Advocate in this matter. According to SCE&G, an additional day is needed to complete its rebuttal testimony due to the Thanksgiving Holidays. SCE&G also states that this request has been discussed with counsel for the Consumer Advocate and General Counsel of the Commission, and that neither party has any objections to granting of the extension.

We find that no undue hardship or difficulty will be experienced by any party of record if the Company is granted an extension to file its rebuttal testimony. We grant the one (1) day extension. Accordingly, SCE&G shall file its rebuttal testimony and/or exhibits on or before **November 27, 2001**, and shall serve all parties of record as per the Commission rules.

This Order shall remain in full force and effect until further Order of the Commission.
